### Next meeting

Regular meetings are free for members and open at a small charge to others. [Contact](#) program manager Bobbi Werner to be added to the CNY Chapter mailing list for meeting announcements. The most current meeting information is always posted on the [Activities](#) page.

The Rochester Chapter has monthly meetings. Visit the Rochester Chapter newsletter for [meeting information](#).

### From the president--chapter news

The CNY Chapter now has 13 members, from Albany in the east to Elmira in the west, with one at some distance in another state. Four members serve on the Council, and more volunteers are welcome to help plan programs and develop content for this newsletter. We have a strong network of technical communicators in the Syracuse area, which depends on chapter efforts to keep everyone connected, and we reach out to colleagues in the many areas in our region. This newsletter was posted on October 3 and is being developed throughout the coming month. The archived September issue was posted as an archive too.

Visit the Rochester Chapter newsletter for [updates on the many activities of that chapter](#). CNY Chapter members participate in and collaborate on much of what is reported.

If you need information or have information to share please [contact the chapter president](#).

### Opportunities from STC

Visit the Rochester Chapter newsletter for [news of opportunities from STC](#).

### Feature article

STC members are invited to contribute original feature articles. [Contact](#) the president.
