## Next meeting

Regular meetings are free for members and open at a small charge to others. [Contact](#) program manager Bobbi Werner to be added to the CNY Chapter mailing list for meeting announcements. The most current meeting information is always posted on the [Activities](#) page.

The Rochester Chapter is meeting on October 5. Visit the Rochester Chapter website for [meeting information](#).

## From the president--chapter news

The CNY Chapter at this time continues with ten members, from Albany in the east to Elmira in the west. Four members serve on the Council, and more volunteers are welcome to help plan programs and develop content for this newsletter. We have a strong network of technical communicators in the Syracuse area, which depends on chapter efforts to keep everyone connected, and we reach out to colleagues in the many areas in our region. On the last day of each month this newsletter is posted and the issue evolves throughout the coming month. The previous month's issue is archived when the new

issue is posted. If you need information or have information to share please [contact the chapter president](#).

## Opportunities from STC for September

### Summit 2016 Call for Proposals

The 2016 Summit Call for Proposals is open. If you have a great idea for a session for the Summit this is the opportunity to make it known. Visit [Summit 2016 Call for Proposals](#) to submit. STC is always looking for new presenters and new session topics.

### Summit 2015 Playback

Access to the Summit Playback is available to Summit attendees at no additional charge. Log on credentials were emailed out directly to attendees from Multiview Services. If you were not able to attend you can purchase access to the recordings on [Summit Playback](#).

### STC Membership discount—encourage others to join!

Membership in STC is discounted to the lowest rate of the year. Be sure to tell anyone you know who isn't yet a member of STC that now is the time to join. If you haven't renewed yet, now is a great time!
